New Information in Blue Text

Event Name	22-0009 Wildfire Outbreak 17MAR
Date	March 21, 2022
Time	9:00 AM
Operational Period	8:00 AM March 20 to 8:00 AM March 21 2022
Report Number	4

Regions Affected	
TDEM Regions Affected	1, 2, 3, 4, 5, 6
DDCs Active	7 & 20

STATEWIDE CURRENT SITUATION: Wildfire operations continued Sunday into Monday, with the largest area of concern being in the Eastland County area. Wildfires affected areas of Regions 1, 2, 3, 4, 5, & 6 on Sunday. Elevated to critical fire weather is forecast for much of the western half of Texas on Monday March 21.

On March 18, Governor Abbott issued a Disaster Declaration due to an imminent threat of widespread or severe damage, injury, or loss of life or property in Brooks, Brown, Coleman, Comanche, Eastland, Grayson, Mason, Potter, Randall, Runnels, and Williamson Counties.

On March 16, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to activate additional state resources as escalated fire weather conditions continue to impact the state this week. In addition, the Texas State Emergency Operations Center (SOC) is increasing readiness to Level II: Escalated Response for Critical Fire Weather Conditions. Representatives from key state agencies belonging to the Emergency Management Council reported to the SOC on Thursday, March 17 at 7:00 AM CT to assist in the state's response to fire weather conditions.

On March 15, Governor Abbott directed TDEM to mobilize state resources as Texas faces increased fire weather conditions this week. The National Weather Service

warns high winds and low relative humidity has created heightened risk for wildfires in the western half of the state.

WEATHER:

NWS Fire Weather Outlook Valid: 6AM 3/21 to 6AM 3/22

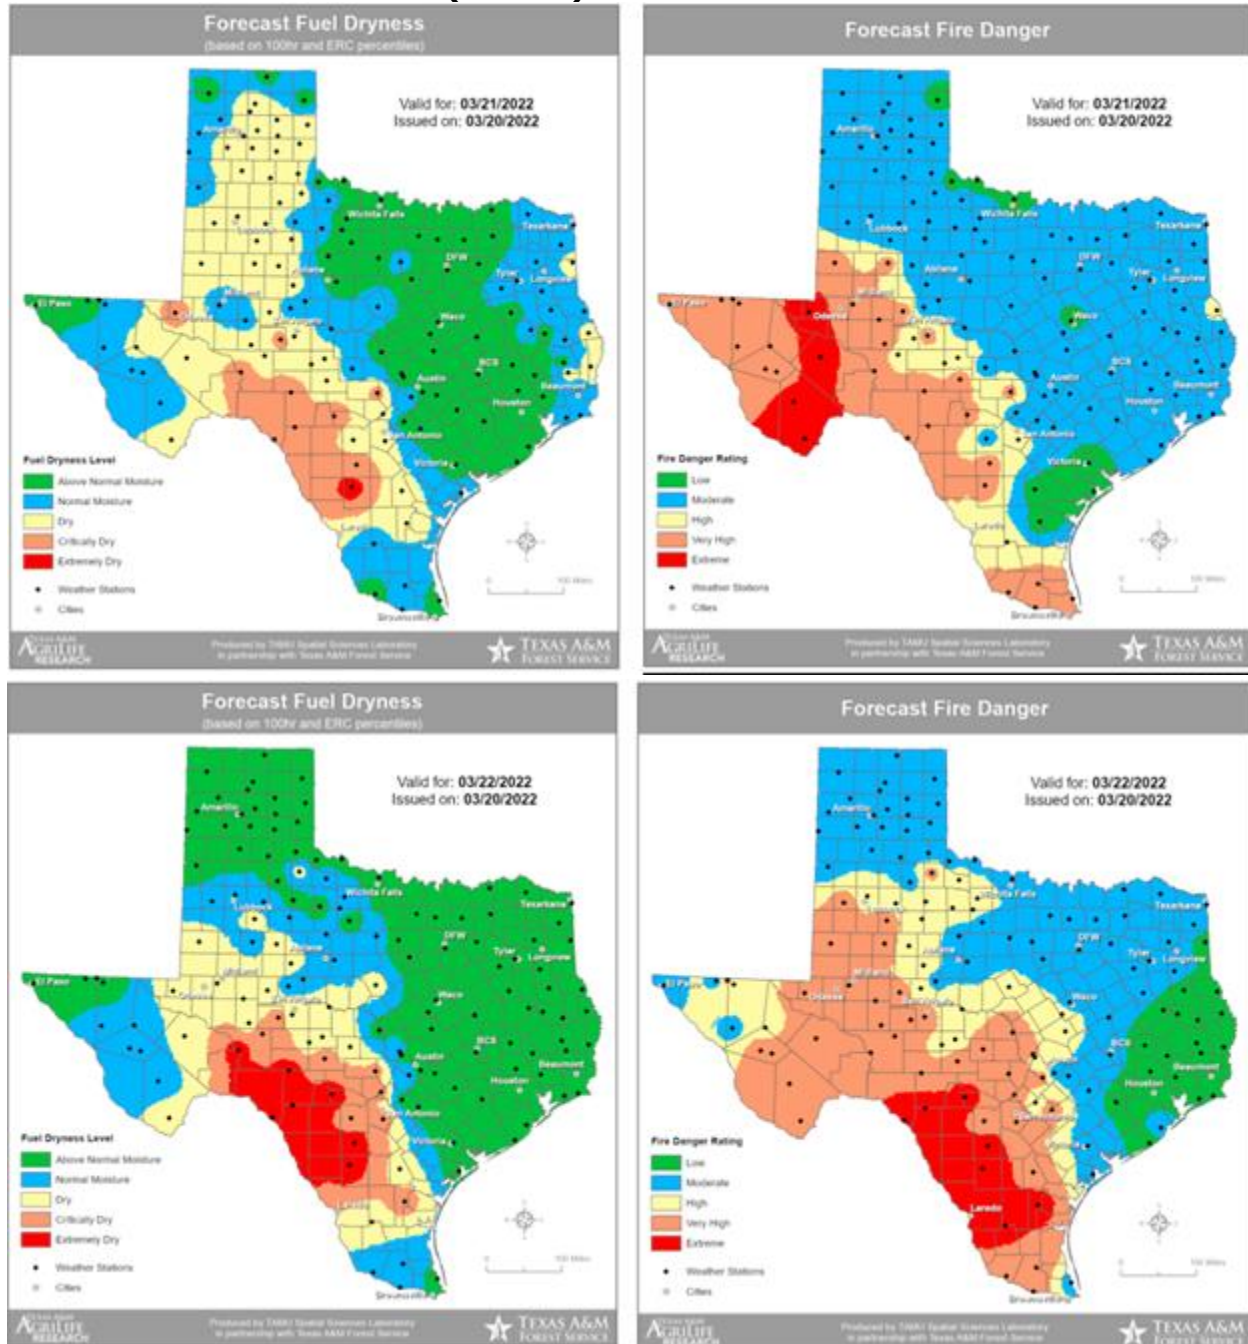

Day 1 Fire Weather Outlook: An upper trough will eject into the Plains states while a surface low intensifies across northwest Texas today. Dry and windy conditions are expected to briefly develop behind the dryline across southwest Texas, before cooler temperatures are ushered in by a surface cold front.

Southwest Texas

As the dryline advances eastward during the afternoon, widespread 20-25 mph sustained west-southwesterly surface winds will develop, with RH dipping to 15 percent in spots. Critical highlights have been introduced where the latest guidance consensus depicts the most favorable wind/RH overlap, and where forecast ERCs reach or exceed the 90th percentile. However, these warm, dry, and windy

conditions behind the dryline are expected to last only a few hours at any given location given the subsequent approach of the cold front. The best time for Critical conditions will be in the 19-00Z time frame.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

TDEM – Regional staff have been deployed to impacted areas to assist local officials in damage assessment and identification of needs. The SOC continues to facilitate information sharing and the coordination of response and recovery operations.

TDEM Communications Coordination Group (CCG): ESF 2 is assessing possible requirements to support Eastland County and other areas heavily impacted by the wildfires. Communications platforms are being identified for possible support if required. The Texas Department of Public Safety (DPS), Lubbock County, Bedford Fire Department and Denton County have identified platforms and other communications assets that could provide support if requested. Cellular providers have identified resources, and assets are staged in and out of state if required. There are currently no reports of cellular outages in the impacted areas. Amateur radio services are monitoring the situation and contacting served entities as applicable. RACES / AUXCOMM trained personnel are in contact with the TDEM District 7 personnel to help coordinate any communications requirements. The Commission on State Emergency Communications (CSEC) has not received any reports of impacts to the PSAP – 9-1-1 networks.

TDEM Disaster Recovery Task Force (DRTF): DRTF Staff continue to support mass care at the R-SOC and coordinate with members in the field.

Mass Care: Red Cross teams are supporting some donation management. ARC's case management will process those in shelters transition to other housing. Those evacuees that are staying with friends/family will need damage assessed prior to receiving case management. Safe & Well Program has not activated. ARC is ready to support any reunification efforts as they arise. ARC is staffing east Texas in preparations for the severe weather anticipated Monday. Southern Baptist Southern Convention is headed to Eastland to support a local church with feeding evacuees. Salvation Army is staged in Big Lake, San Angelo and Brownwood. Mass Care is collaborating with Salvation Army to feed first responders at the Eastland Wildfire Complex basecamp. Members in the field are supporting the Eastland Wildfire Complex ICP, damage assessment coordination, donation management and survivor assistance center. Initiating iSTAT/pSTAT assessments to support DSO.

State Voluntary Agency Liaison (VAL): Coordinating with local non-profit organizations, disaster nonprofits and VOAD member organizations. A fund has been established to accept monetary donations through the Abilene Community Foundation and Eastland Community Foundation. Disaster nonprofits and VOAD member organizations remain on standby to assist in cleanup efforts through long term recovery.

Texas A&M Agrilife Extension Service (Agrilife): The Texas A&M AgriLife Extension Service is maintaining situational awareness of the evolving wildfire incidents across the state. AgriLife Extension is activated to the SOC, monitoring animal issues calls, and is coordinating with TAHC and animal response partners at the local, state, and federal level to support local jurisdictions.

Below are numbers from AgriLife Extension, TAHC and the TAMU VET as of 8:00PM on March 20:

- 47 head of horses and cattle sheltered at the Texas Cattle Exchange.
- Livestock confirmed dead- 154 head of cattle, 15 head of sheep, 200 reported dead cattle by a local producer.
- Commodities received- 158 Round bales of Hay, 106 square bales of hay, 54 bags (2,700 lbs.) of cattle cubes.
- Commodities distributed- 84 Round bales of Hay, 4 square bales of hay, 36 bags (1,800 lbs.) of cattle cubes.
- DAR agents continue to assist the TAMU-VET with animal assessments at shelters, as field operations were limited due to fire activity today.
- DAR agents continue to assist with donation intake and distribution to livestock owners.

Texas A&M Engineering Service (TEEX) Texas Task Force (TX-TF) 1 & 2: TEEX deployed Texas A&M Task Force 1 and Texas Task Force 2 personnel at the request from TDEM for assistance with the search within the Eastland Complex Fire. Texas A&M Task Force 1 and 2 (Type 3) was assigned to search a rural area in eastern Eastland County. The search for human fatalities is in progress. There were 139 structures classified as destroyed and four structures with major damage in the assigned search area.

Texas A&M Engineering Extension Service (TEEX)/Texas A&M Public Works Response Team (TX-PWRT): TEEX/TX-PWRT continues to support and coordinate operations from the Remote SOC serving as ESF-3. Advance team located in the Cities of Carbon and Eastland to assist with water/wastewater and utilities. Teams continue to monitor water/wastewater and utilities with the local officials and agencies to provide troubleshooting and assistance as needed. PWRT is also providing assistance to TxDOT with fuel cell distribution at the staging site in Eastland.

Texas A&M Forest Service (TAMFS): TAMFS received 35 new requests for wildfire suppression operations on Sunday March 20, and resources are still engaged on mop up and holding operations on five carryover fires.

Public Utility Commission of Texas (PUC): The PUC was activated to the Remote SOC effective 7:00 AM, Thursday, March 17. The PUC has reached out to industry members and is standing-by to assist throughout the duration of the event.

Railroad Commission of Texas (RRC): RRC is monitoring temporary natural gas service interruptions affecting the City of Carbon and the City of Gorman. The natural gas service provider for the City of Gorman started restoring service to customers Friday afternoon. The RRC will continue to work with the service provider and state and local partners until service is fully restored to both cities. RRC will continue to support ESF 12 and work with PUC throughout the event.

Texas Animal Health Commission (TAHC): TAHC is maintaining situational awareness of the evolving wildfire incident. TAHC is activated to the R-SOC, monitoring animal issues calls and coordinating with TAHC Regional Offices and animal response partners at the local, state and federal level for support of local jurisdictions. Coordination communications have occurred with ESF-11 partners regarding potential hay/feed or other livestock-related support following the wildfire outbreak. Multiple local officials and partners have notified TAHC of missing and/or deceased livestock due to the wildfire and the need to release livestock for escape. TAHC staff remain on standby for response to any animal issues when it is safe to do so. TAHC staff are now working throughout areas affected by the Eastland Complex Fires in support of animal issues needs with all available local officials and partners, as requested. There is an animal supply point now operational in Gorman, TX (Gorman Feed Mill) which is accepting donations and distributing as needed. VET Team and TSCRA Rangers are assessing burnt and otherwise wounded livestock throughout the region. TAHC Public Information Officer is providing specified animal response and recovery information to the public. TAHC is aware that counts of missing/deceased livestock are still ongoing. A STAR was filled for one Livestock Gathering Team. TAHC is aware that carcass disposal efforts, handled by local citizens, are ongoing, with TAHC ready to assist. USDA air assets are operational and coordinating with TAHC field staff to address ongoing needs in the region.

TEXAS A&M University Veterinary Emergency Team (TAMU-VET):

TAMU-VET deployed an additional two VET members and four veterinary students to Eastland, TX. Provided pre-ops evaluations and protective bandaging on TTF SAR dogs. TAMU-VET established a Forward Operating Base (FOB) in Carbon, Tx to support TTF SAR dogs during operations. Three Strike Teams are currently working livestock issues in the field: two resident domestic pets were treated, 30 head of sheep recommended for slaughter due to burn injuries, of 163 heads of cattle 13 were salvaged by slaughter, and five head of cattle were euthanized.

Texas Commission on Environmental Quality (TCEQ): TCEQ has staff available to assist local governments with any air/water/waste related issues including drinking water/wastewater issues and/or emergency response activities. Two water

systems in the impacted area have issued boil water notices. These systems serve 710 people.

Texas Department of State Health Services (DSHS) – Emergency Medical Task Force (EMTF): EMTF activated 2 Wildland Fire Support (WLFS) packages for EMTFs 2, 7 & 9 supporting the Eastland Complex Fires and the Chico Lane Fire. EMTF activated one additional MIST, two WPU's and one Rapid Extraction Modules (REM) to assist in Abilene with the Eastland Complex Fire. EMTF placed 2 WLFS packages and 3 REM packages on standby for EMTFs 2, 4, 8 & 11 and is supporting response with 52 personnel. One WLFS has been activated to Pleasanton staging support by EMTF 8 and 11. One ambulance to support 24/7 operations at the Eastland Complex Fire from EMTF 2.

Texas Department of Transportation (TxDOT): [TxDOT has been asked to provide mechanics to repair TAMFS equipment. TxDOT has fuel cubes at Carbon VFD and Eastland Staging area. TxDOT and TX-PWRT are staffing.](#) TxDOT has filled a STAR to provide equipment and crews to build fire breaks on the Kidd Fire in Eastland County: two dozers, two motor graders, and support equipment with staff. [This crew is currently working on extending firebreaks east of Carbon and north of Gorman.](#) Additionally, TxDOT partially filled a STAR for two portable light towers for the Carbon Volunteer Fire Department (VFD). All 25 TxDOT Districts have been provided the NWS & TDEM Fire Weather Outlooks. TxDOT Districts in impacted areas are posting fire information on Digital Message Signs for public awareness. TxDOT is staffing the Remote SOC.

Texas Department of Public Safety (TXDPS): The TXDPS has ensured the readiness of statewide resources to appropriately respond to this fire outbreak and weather event. Texas Highway Patrol (THP) troopers and other DPS personnel are fully prepared to respond as conditions dictate. Affected THP Disaster District Chairs are communicating with applicable state and local officials as needed. DPS Troopers and other agency personnel are providing support to applicable affected areas as requested. [DPS troopers are assisting with evacuations due to wildfires in Hood County. DDC Hurst is activated at Level III in support of the disaster district's wildfires.](#)

Texas Military Department (TMD): TMD has activated to provide direct support to TAMFS with fire suppression capability in response to critical fire weather. The CH 47 flew a total of nine hours and dropped a total of 29 buckets (52,200 gallons) of water on March 18. The CH 47 launched to continue supporting the Eastland Fire at 9:40 AM on March 19. The CH 47 flew a total of 7.3 hours and dropped a total of 41 buckets (73,800 gallons) of water on March 19. [The CH 47 flew a total of 8 hours and dropped a total of 54 buckets \(97,200 gallons\) and the UH 60s flew a total of 6.4 hours and dropped a total of 14 buckets \(9240 gallons\) on March 20, 2022.](#)

Voluntary Organizations Active in Disasters (VOADs):

American Red Cross (ARC):

Coleman County: On Thursday, two Temporary Evacuation Points (TEP) were opened in coordination with OEM due to the evacuation of approximately 300 homes. The two TEPs were located at First Baptist Church of Coleman, 200 E. College Ave, Coleman, TX and Coleman County Senior Center, 916 S. Concho, Coleman, TX 76834 and closed at 8:30 PM Thursday night. Four homes were lost in this fire and our local casework team opened cases providing recovery planning and assistance.

Taylor County: The TEP in Abilene closed at 8:30 PM Thursday night and residents were able to return home. Two homes were lost, and our local casework teams provided recovery planning and assistance that evening.

Eastland County: ARC volunteers continue to support the Incident Command Post where are in coordination with emergency management about the fire. ARC fed dinner to 50 firefighters on site Thursday evening. Five independent shelters opened in Eastland County overnight and remain open now. On Friday morning their team had been asked to provide support and are visiting each site to identify unmet needs.

FINAL COMMENTS: The State Operations Center (SOC) remains at Level II (Escalated Response Conditions) for COVID-19 pandemic response with additional staffing for Wildfire Outbreak response. The Texas Division of Emergency Management (TDEM) continues to monitor these situations and will provide additional situation reports as needed.

The four levels of SOC activation are:

- | | |
|-----------|----------------------------------|
| Level I | (Emergency Conditions) |
| Level II | (Escalated Response Conditions) |
| Level III | (Increased Readiness Conditions) |
| Level IV | (Normal Conditions) |
